

Preksha Shirode

Engineering Student

+917507253326 | prekshashirode@gmail.com

EDUCATION:

SPPU | BACHELOR IN COMPUTER ENGINEERING (BE)

Sandip Foundation, Nashik
8.77 (SGPA)

MSBTE | DIPLOMA IN COMPUTER ENGINEERING

Government Polytechnic, Jalgaon
86.63% (2025)

SSC | MAHARASHTRA STATE BOARD

S.S.P.D. Thepade Madhyamik
Vidyalaya, Mhasawad, Jalgaon
94.60% (2022)

SKILLS:

- Web Design (HTML, CSS, JavaScript)
- C, C++ Languages
- Java, Python, PHP (Basics)
- IoT Fundamentals
- Problem-Solving
- DBMS (Basic Knowledge)

LANGUAGE:

- English
- Marathi
- Hindi

HOBBIES:

- Drawing (Intermediate Grade - A)
- Sketching

OBJECTIVE:

BE Second Year student with knowledge of programming fundamentals, OOP concepts, and basic application development. Seeking an internship to apply skills and gain practical industry experience.

EXPERIENCE:

Academic Project Development

- Created simple projects like websites and IoT-based systems
- Used basic technologies to solve real-life problems
- Learned how to design, develop, and test projects

PROJECTS:

Loan Management System

- Developed a web-based application to manage loan details and EMI calculations
- Implemented features like loan amount input, interest calculation, and EMI display
- Designed user interface using HTML, CSS, JavaScript, and PHP
- Used MySQL (phpMyAdmin) for database management to store and retrieve loan data

IoT Based- Motion Detection Security Alarm

- Developed an IoT-based security system to detect motion and trigger an alarm.
- Tools/Technologies - IoT Components, Sensor, Microcontroller (Arduino/Basic), Software - Arduino IDE
- Achievements - Improved understanding of real-time monitoring and IoT-based security systems

CERTIFICATION:

- Course Completion In C (Info Planet, Jalgaon)
- Course Completion In JAVA (Info Planet, Jalgaon)
- Course Completion In JAVASCRIPT (Info Planet, Jalgaon)
- Internship Program in Python Programming and Basic Machine Learning (Electrosoft System, Jalgaon)
